Nothing to report.

II. OTHER ACTIVITIES

adding further Communism coverage to the program as it now exists. [] has been reviewing the program and apparently feels that because of its importance, and because of the interest and stimulation which it arouses in the students, this subject merits greater consideration than the one day now given by SIC. [] has already been requested to provide some coverage of the Soviet economy in the present course and I anticipate a request for continued additional participation.

2. Because of the unexpected surge of Communist political strength in Greece as evidenced in the recent elections [] has been revised to include a substantial training responsibility in the Communism field. [] with the necessary basic documentation to begin this program and will provide us with further specific requests when he surveys the needs in the fields. This request has been coordinated with Overseas Training Branch.
